Using Flag Templates - Illustrator

Here is a Video Tutorial on these instructions:
https://www.youtube.com/watch?v=0_rxZx0OoYc

1. Open the appropriate template that matches your order.

2. There will be 3 layers, the top layer and bottom layer named TEMPLATE-DON T ERASE should be left alone.

3. Only design on the layer named ART-WORK HERE . Any additional layers should be under the TEMPLATE-DON T ERASE layer.

4. Save the file as a PDF

5. Submit the artwork through your order status for that order.
